

Lamplight Directors Year End Summary 2024

Name of Outreach:

JUDY CHILDREN AWARENESS PROGRAM

Description:

Reported case of child abuse in India particularly, SEXUAL ABUSE in Tamil Nadu have shown a significant increase in rural India, due to lack of awareness. Through this program we inculcate knowledge about child abuse physical abuse and murdering of child after harassment, rape and abusing them. Most significant crimes are abduction, murder, child marriage. Fear and lack of understanding what is happening, combination of social silence and vulnerability is the breeding grounds of these grounds. According to recent survey India witnesses a staggering 8.7 % increase in child abuse cases reaching a total of 162,000 incidents as reported By NCRB.

Number of students/participants:

1200 (we meet 100-120 children every month) through conducting camps.

Activities for the year:

We have been conducting camps in the village, where we create awareness through skits, drama, lecturing them. We give pamphlets and guide them on how they can reach the helpline. We also assist them in their victimized state, emotionally. Our aim is to educate the children about this, protect them from exploitation and violence.

Number of souls saved:
