

Lamplight Directors Year End Summary 2024

Name of Ministry:

EBENEZER FREE SEWING SCHOOL – (WOMEN EMPOWERMENT)

Description:

India is a male chauvinistic society where women face lots of dominance, dowry violence, physical violence, mental abuse, and even sometimes murdering of brides. A married woman in India faces a lot of problems. Sometimes there are families where the husband is a drunkard and hence women must support the children and sometimes it leads creates broken family. Most of these people come from the most downtrodden, backward, Hindu orthodox families .

Number of students:

700 students

Activities for the year:

We have set up institutions to tutor women on sewing

Achievements:

We have been able to give Confidence and determination to many women who have tried suicide attempts. It was a kind of restoring of life process. We set up 2 centers and have victoriously completed 4 batches in those 2 centers. We have been providing them with quality sewing skills with effective practical expertise. It have also acted as an effective platform to spread gospel.
